

We make every effort to ensure that we accurately represent our courses, programs, products and services and their potential for increasing the number of leads, sales and profits.

Examples of customer gains, income generated, profits and other results are not necessarily average or typical nor intended as representations of your potential earnings. Your ability to gain those results is a direct reflection of the work and time that you invest in following the actions steps and creating your systems based on our instruction and proven roadmap.

The testimonials and examples used are not intended to represent or guarantee that anyone will achieve the same or similar results. As with any course, program, training or advice, each individual's results may vary significantly. Each individual's results depend on many factors, such as correct implementation, dedication, motivation, desire and work ethic.

There is no assurance that examples of past earnings can be duplicated in the future. We cannot guarantee your future results and/or success. We are not responsible for your actions.

The use of our information, products and services should be based on your own due diligence and suitable professional advice.

No guarantees of specific results are expressly made or implied.
